

CENTURION BIG FOOT

BIG SIZE

WITH THE XL SIZE SEAT, THE BIG FOOT MODEL MAKES THE CENTURION RENTAL LINE COMPLETE FOR PLUS-SIZE DRIVERS! EXTRA COMFORT IS GUARANTEED BY THE SEAT'S HIGH-GRIP SOFT-FEEL LINER, WHICH KEEPS THE DRIVER FROM SLIDING WHILE DRIVING.

PEDAL ADJUSTMENT

THE CENTURION BIG FOOT IS EQUIPPED WITH AN INGENUOUS PEDAL ADJUSTMENT SYSTEM THAT DIFFERS FROM THAT OF THE CENTURION SENIOR, ENGINEERED TO MAKE SEAT POSITIONING QUICK AND EASY, WHILE CONTRIBUTING TO LOWER OVERALL WEIGHT FOR ENHANCED PERFORMANCE.

CENTRAL AND PROTECTED ENGINE

TO OPTIMIZE THE USE OF SPACE AND AT THE SAME TIME GUARANTEE TOP-NOTCH PERFORMANCE AND THE BEST DRIVE FEEL POSSIBLE, THE ENGINE HAS BEEN POSITIONED BACK AND CENTER BEHIND THE DRIVER SEAT. AN ADDITIONAL REAR BUMPER INSTALLED IN CORRESPONDENCE WITH THE ENGINE GUARANTEES EXTRA PROTECTION.

RELIABILITY

IAS: IMPACT ABSORPTION SYSTEM. THANKS TO AN IMPACT ABSORPTION SYSTEM, SIMPLIFIED, BUT INGENUOUS, WHICH ENABLES THE CENTURION KARTS TO RECEIVE IMPACTS IN A INNOVATIVE WAY. THIS SOLUTION PAVED THE ROAD TO A NEW GENERATION OF RENTAL KARTS SOLD IN EVERY PART OF THE WORLD.

FRONT BRAKES

WITH A PLUS-SIZE DRIVER ON BOARD,
THE BIG FOOT REQUIRES GREATER
BRAKING FORCE. THIS IS WHY THE
BRAKE PEDAL (ON THE LEFT) OPERATES
BRAKES ON BOTH AXLES, REAR AND
FRONT.
